## Terms of Use

UES International website - Terms of Use

### Copyrights

© Copyright 2018 UES International Pty Ltd

All rights reserved. All texts, references, pictures and other illustrations on our website are subject to copyright as well as to other laws for protection of intellectual property. No copies or amendments for commercial purposes or circulation, and no disclosure to a third party. Furthermore, the UES website may include references to property rights of third parties, as well as information regarding possible copyrights to be observed and complied with.

### Protection of Trade Marks

An unauthorised use of trade marks or other material is expressly forbidden and would be an infringement of copyright, trade mark or other protected rights.

### Limitation of Liability

All data on this website suit the purpose of representing UES and their products and services. However, no guaranty is taken over, whether explicit or implicit, as far as completeness or correctness of information on this website are concerned.

The user of this website agrees to refer to this website and its data at his own risk. Neither UES nor a third party - involved in design, creation or transmission of this website - may be held responsible for damages or infringements resulting from access or denied access, from the use or denied use of this website, or from the fact that you take actions based on information on this website.

### Websites of Third Parties / Links

This website includes links or cross references to websites of third parties. These links to websites of third parties do not mean that UES agrees with the contents of these websites. UES does not take over any responsibility regarding availability or contents of such websites, and must not be held liable for damages or infringements resulting from the use of such contents - regardless of the kind of such use. Providing links to other websites must be regarded as a convenience for the user of this website, only, establishing a connection to these websites is carried out on user's risk.

### Information provided by the user

As far as contents and correctness are concerned the user of the website is completely responsible for all information he sends to UES, furthermore he is responsible for the protection of the right of third parties against any infringement. The user agrees to storage of these information by UES and to the use of data for statistical or other defined business purposes.

### Applicable Law (Jurisdiction)

Should there arise any legal claims or court case in connection with the website or the use of it the laws of Sweden have to be applied.

### **Privacy Statement**

UES is aware that the security of your private information is an important concern whenever your use of our website. We take the protection of your personal data very seriously. Therefore we would like you to know at which time we maintain what data and how we use it. With this privacy statement, we would like to inform you about our security measures.

### **Agreement**

With use of our website you automatically agree to the storage and application of your data as described in this declaration. Amendments to this privacy statement are directly made on this website which keeps you informed about all kind of data UES stores and uses.

### **Right of Access and Correction**

You have the right to review and amend any personal data stored in our system if you believe it may be out of date or incorrect. Just send an e-mail to the address given in the imprint or contact the Data Security Officer at the address below.

### **Collection of Data**

You can use our website without disclosing your personal data. You are not required to provide personal information as a condition of using our site, except as may be necessary to provide you a product or service at your request. When you use our website, we store data on our servers for various security purposes. This data may include the name of your internet service provider, the website that you used to link to our site, the websites that you visit from our site and your IP-Address. This data could possibly lead to your identification, but we do not use it to do so. We do use the data from time to time for statistical purposes, but maintain the anonymity of each individual user so that the person cannot be identified. In cases when personal data is provided to others to provide you products or services you have requested, or for other purposes you have authorized, we rely on technical and organizational means to assure that applicable data security regulations are followed.

### **Collection and processing of personal data**

We collect personal data only when you provide it to us, through registration, completion of forms or e-mails, as part of an order for products or services, inquiries or requests about materials being ordered and similar situations in which you have chosen to provide the information to us.

The database and its contents remain at our company and stay with data processors or servers acting on our behalf and responsible to us. Your personal data will not be passed on by us or by our agents for use by third parties in any form whatsoever, unless we have obtained your consent or are legally required to do so.

### **Right of Cancellation**

You have the right at any time to withdraw your consent to the use of your personal data in the future. Again, just send an e-mail to the address given in the imprint or contact [marketing@uesint.com](mailto:marketing@uesint.com)

### **Data Retention**

We only retain personal data for as long as is necessary for us to render a service you have requested or to which you have given your consent, except where otherwise provided by law (e.g. in connection with pending litigation).

### **Security**

UES uses technical and organizational security precautions to protect your data from

manipulation, loss, destruction or access by unauthorized persons. Any personal data that is provided to UES by you will be encrypted in transit to prevent its possible misuse by third parties. Our security procedures are continuously revised based on new technological developments.

#### **Downloads : General Terms of Business**

UES herewith gives you a non-exclusive personal license for the use of the material you are going to download (called “material” in the following), this license is continuously subject to the following conditions: The material is intellectual property of UES and is copyrighted material. You are not allowed to give sub-licenses for the material or rights granted to you under this agreement, or to forward, assign or sell such material or rights. Despite permanent updating of the information on this website no liability or guaranty is taken over by UES for up-to-dateness, correctness and completeness of information. Insofar exclusion of liability (as below) is applicable.

#### **CAD Download**

Accepting the terms of signing up to the UES login gives access to CAD download. UES provides this information on the condition that the CAD is not used for direct competitive activity with UES, namely manufacture / promotion of similar products in direct competition with UES and its subsidiaries.

#### **Exclusion of Liability**

Unless there are imperative legal instructions or other definite agreements UES shall not accept any liability for any direct or indirect damages resulting from the use of this or any linked website.

#### **Contact**

Please contact UES in case of any problems, questions or suggestions that you may have. The constant development of the internet requires occasional adjustments to our privacy statement. We retain the right to make changes whenever necessary.
